### Who Gets Grandma's

### Yellow Pie Plate?

How do you decide when dividing cherished family heirlooms? Every family has had to face this dilemma at some time. Please join us this October at Barnes Lodge, as we are given helpful tools for this by Marcia Mermelstein, MSW, a Senior Adult Information & Resource Specialist at Jewish Family & Children's Service's ElderLink St. Louis Program. Marcia is also an expert pie baker and will use her own favorite yellow pie plate for a quick pie baking demonstration. Pie & Coffee After!

### BARNES-JEWISH HOSPITAL HOSPICE CARE PROGRAM

Everyone has been touched by a need for hospice care...Whether a beloved family member or friend, hospice care can ease the pain associated with the loss of a loved one. To help our members become more informed about this wonderful program and its many benefits, a "get acquainted" information session and reception is being planned for **November, 2012** at the Barnes-Jewish Hospital Hospice Center.

Look for more information in the months to come as plans are finalized for this important event. All auxiliary members are invited and encouraged to attend.

## Auxiliary Night Out

### Who doesn't love eating out?

Each quarter, the Auxiliary will have an evening out at a local restaurant. Your participation will not only satisfy your hunger for food, but will help the auxiliary raise money to support Barnes Lodge and the Arts + Healthcare Program. Each participating restaurant has graciously agreed to donate back to the auxiliary a percentage of the evenings receipts. We will notify auxiliary members by e-mail prior to each quarters restaurant date. Make sure the auxiliary has your e-mail address so you and your friends can fill the tables at favorite St. Louis eateries. Don't be left cooking!

## Don't be left out...

Last call to update your personal data for the New Membership Directory. Please contact the Auxiliary office to verify your information.
