

Directions for Patients with Radiology Appointments on the

South Campus

of Barnes-Jewish Hospital in the Mallinckrodt Institute of Radiology

For more information please visit www.barnesjewish.org/radiology

Step-by-Step Directions from Valet

- Walk straight down the hallway located to the left of the valet desk towards Queeny Tower.
- Take the Queeny Tower elevators on your left up to the **Main Level**.
- Continue straight down the hallway towards Radiology.
- Depending on the type of appointment, follow star 1 or star 2 below and also on the map to the left.

For patients going to CT,

General Diagnostics (X-ray), Neuroradiology, Musculoskeletal (MSK), GI/GU, Ultrasound, MRI, or Interventional Radiology (IR)

- Take a left into Mallinckrodt Institute of Radiology.
- Once inside Mallinckrodt lobby, take the elevators to:
 - 2nd floor – CT and Diagnostic (X-ray)
 - 3rd floor – Neuroradiology & Musculoskeletal (MSK)
 - 4th floor – GI/GU and Ultrasound
 - 5th floor – MRI
 - 8th floor – Interventional Radiology (IR)

For patients going to Nuclear Medicine

- Continue past Mallinckrodt Institute of Radiology.
- Turn right into the main hospital corridor towards the fountain and the information desk (i).
- Take the “Central Elevators” located on the left side of the fountain in the Main Lobby to the 9th floor.
- Once on the 9th floor follow the hallway around to the left to the Nuclear Medicine waiting room.
