

NATIONAL LEADERS IN MEDICINE  
Directions for Patients with Radiology Appointments on the

## South Campus of Barnes-Jewish Hospital in the Mallinckrodt Institute of Radiology

Barnes-Jewish Hospital is one block north of the I-64/US40 and Kingshighway Boulevard intersection in St. Louis, MO.

**Need a little extra help? We will meet you at the door and escort you to your appointment. Call 314-362-5194 or email [CONCIERGESEVICES@bjc.org](mailto:CONCIERGESEVICES@bjc.org)**

**If you are using a Navigation System enter  
1 Barnes-Jewish Hospital Plaza,  
St. Louis, MO 63110  
to take you to the South Garage.**

*\*Please note handicap parking is available in the garage. Wheel chairs are located near the garage escalators. Also, valet parking is available for an additional \$2.00 charge and free of charge with a handicap sticker. If you choose to valet, please stop at the valet desk for directions. The directions below are only from the self park garage not from valet.*

*For more information please visit [www.barnesjewish.org/radiology](http://www.barnesjewish.org/radiology)*

### Step-by-Step Directions from the South Garage

- Once you park in the South Garage go up the escalator(s) or take the garage elevators located behind the escalators to the bridge level. Walk across the bridge into the main hospital lobby.
- Depending on the type of appointment, follow star 1 or star 2 below and also on the map to the left.

**For patients going to CT,**

**General Diagnostics (X-ray), Neuroradiology,  
Musculoskeletal (MSK), GI/GU, Ultrasound, MRI, or  
Interventional Radiology (IR)**

- Walk past the information desk (i) and fountain, then turn left down the 2<sup>nd</sup> hallway.
- Take an immediate right into Mallinckrodt Institute of Radiology.
- Once inside Mallinckrodt lobby, take the elevators to:
  - 2<sup>nd</sup> floor – CT and Diagnostic (X-ray)
  - 3<sup>rd</sup> floor – Neuroradiology & Musculoskeletal (MSK)
  - 4<sup>th</sup> floor – GI/GU and Ultrasound
  - 5<sup>th</sup> floor – MRI
  - 8<sup>th</sup> floor – Interventional Radiology (IR)

**For patients going to Nuclear Medicine**

- Take the “Central Elevators” located on the right side of the fountain in the Main Lobby to the 9<sup>th</sup> floor.
- Once on the 9<sup>th</sup> floor follow the hallway around to the left to the Nuclear Medicine waiting room.
